

Northville Educational Foundation

Enhancing Educational Excellence

BE PART OF THE NPS FUNDING SOLUTION!

- ✓ The Northville Educational Foundation (NEF) attracts, manages and distributes charitable gifts to provide educational opportunities that enhance Northville Public Schools' commitment to excellence.
- ✓ Giving to the Northville Educational Foundation is a great way to support a variety of academic and enrichment programs that will benefit the students and staff of Northville Public Schools, but that cannot otherwise be provided with the district's limited operating funds.
- ✓ Budget limitations in our district leave worthy projects unfunded each year. Improvements in our schools increasingly depend on community involvement and funding. We plan to offer assistance to address the most critical needs of the district for excellence in education.
- ✓ The Northville Educational Foundation is governed by a volunteer Board of Directors that was founded nine years ago to manage contributions and award grants. It is recognized as an independent 501(c)(3) non-profit organization. Donations made to the Foundation are tax-deductible to the fullest extent allowed by law.
- ✓ Contributions from Northville Public Schools families, employees, alumni, community members and local businesses are helping to support academic and enrichment programs for students and staff.
- ✓ Individuals or corporations interested in contributing to an existing fund or establishing a new fund (e.g. memorial, tribute, designated area of interest) please contact the Northville Educational Foundation for further information. A minimum contribution may be required.
