

CLUB MID

Club Mid is an after school program designed specifically for middle school students in the Northville Public School District. Students attend the program at their middle school. Students will enjoy a relaxed supervised environment with their peers and may choose to engage in a variety of after school activities including homework support, walking club, board games and other active and quiet options. There will also be weekly enrichment opportunities offered based on the interest of the students (art, drama, music). In addition, students will be released to participate in other activities taking place within the building with parent permission. A snack is provided.

Club Mid follows the NPS calendar. Each session will run from school dismissal until 6:00 p.m. The program is closed for all holidays and snow emergency days. Club Mid will be offered on district half-days (minimum enrollment required to provide care). Club Mid will not be available during Winter Break and Spring Break.

The fee is \$11.00 per day. A two-day minimum is required. Students are not scheduled into specific days, but rather may use the weekdays needed. The flexible schedule allows students to participate in after school activities at their middle school without penalty.
