

Welcome to The Northville Public School District's StudentConnection

AN ONLINE RESOURCE FOR STUDENTS

Zangle's StudentConnection is a web application that provides students with direct access to school data via the Internet. Using a confidential PIN (personal identification number) and password, students can connect to the school district's student database using a web browser and view their data, such as assignments, progress reports, attendance records, report cards, transcripts, and more.

To log on to StudentConnection

Follow the instructions below. From a computer with Internet access, open the web browser, (i.e.: Internet Explorer), and type the following in the Address box:

A NOTE REGARDING AOL:

*AOL Users Must Open Internet Explorer in a separate window.
StudentConnection WILL NOT open while using the AOL browser.

1. Enter URL address:

<http://www.northville.k12.mi.us/webconnect>

Click on the **StudentConnection** Link

2. Enter PIN and Password, click Logon:

(Provided by your Seminar teacher)

PIN: This number is a unique number assigned to each student randomly by the computer. Your personal identification number or PIN **cannot** be changed.

Password: Use the default assigned password for your first logon. Passwords were randomly generated. Passwords are **CASE SENSITIVE**. It is suggested you change your password the first time you connect (see *Account Maintenance* instructions on next page).

Problems with your password?:

High School - Contact your seminar teacher for assistance
Hillside – Go to the main office for assistance

Use the help link to answer any questions regarding this website.

Sign Out

When your viewing is done, please sign out.

You will automatically be logged out of Student-Connection if this site is **inactive** for 20 minutes.

Printing Note:
When printing any one of the linked pages, be sure to first place your cursor in the middle of the page and click once. Otherwise, you may print a blank page.

4. Navigate Student Data

Click the links on the left side of the screen to view different types of data, such as, Demographics, Attendance, etc. The currently selected link will be highlighted in white.

Refreshing data pages

Data viewed in StudentConnection is "live", therefore it may be updated in real time by the school while you are viewing data. However, new data posted during a session will not be visible to the user until the data page is refreshed. There are three ways to refresh a data page:

1. Click on a different link and then return to the original link.
2. Click the Refresh or Reload button in your browser.
3. Press the F5 function key on the keyboard.

5. Explanation of Student Data Links

News

News items are bulletins or announcements from school administrators and teachers.

There are two types of news items available on the News page: School News and Classroom News. The third type of News item, School District News, appears at the bottom of the Student Connection login screen

Demographics

The Demographics tab shows essential such as name, address, telephone numbers, birth date, counselor, etc.

Inaccuracies or misspellings should be reported by your parent to the school office.

Schedule

This page displays your daily schedule for the current term.

There are two modes for viewing:

Order by Period (default) or **Order by Term**.

The viewing mode may be toggled by clicking on the mode switch link to the upper left of the

schedule table.

Attendance

This page displays a record of your attendance entries for the current school year. A teacher or the attendance secretary at the school generates the attendance entries.

Note:
Please allow 24-48 hours after an absence for updates to appear.

Assignments

Assignments are scored classroom tasks assigned to students, such as homework, quizzes, exams, etc. When a teacher uses Zangle Gradebook to define, organize, and score their class assignments, the assignment data will be viewable in StudentConnection.

There may be times when you do not see anything under the "Assignment" tab for a particular class. This tab reflects the Zangle Gradebook information if the teacher has opted to share that information. Not all teachers are using the Zangle gradebook application.

There are two viewing modes: Show Assignments for Last/Next Week (default) and Show All Assignments.

Requests (Course)

Course Requests are used by the school to create schedules. Students enter their Requests directly through StudentConnection. This screen simply shows what Course Requests is currently in the system; it does not indicate which requests were successfully scheduled. Some may have been scheduled; some may not have been scheduled. (To view the current schedule go the Schedule screen.)

Selection of course requests for the next school year begins in February. Please refer to the schedule published by the Counseling

Department for exact dates. Once you have selected course requests for next school year, you can view them by selecting the record for next year from the student drop-down list (upper left hand corner).
